

**Till Debt Do Us Part:  
Critical Financial Errors in Divorce**

*A Seminar for Legal Professionals  
Approved for 2.0 CLE Credits*

**Critical Financial Errors in Divorce**

Critical Financial Errors in Divorce was created by the Institute for Divorce Financial Analysts to highlight several of the more complex financial aspects of divorce, and aspects which the current economic climate have made even more challenging. This presentation addresses some commonly overlooked financial errors that can occur in drafting the settlement agreement, and provides some actionable methods of handling financial issues that have become even more complicated in the current economic environment, including the treatment of retirement and pension plans, how to address illiquid assets and real estate, changes in compensation structures, and the continued importance of cost basis.
